Management Team

Our leadership team is built on hands-on experience, operational knowledge, and a shared passion for logistics:

Managing Director – *Strategic leadership and client relations*

Director's Message: At Britvish Incorporated (Pvt) Ltd, our journey began with a simple yet powerful belief: that logistics is not just about moving goods, but about building trust, reliability, and long-term partnerships. We started small with a single truck and a big dream and today we proudly serve clients across Zimbabwe and are preparing to expand into Tanzania and beyond.

Every delivery we make carries not just cargo, but our promise of professionalism, timeliness, and accountability. We understand the pressures our clients face in meeting deadlines and managing supply chains. That's why we are investing in training, upgrading our fleet, and refining our processes to serve you better and grow together.

At Britvish, we don't chase numbers; we build relationships. We value every client, every partner, and every driver who puts on our uniform with pride. As we look to the future, our commitment remains: to deliver more than just goods we deliver peace of mind.

Finance Manager – *Financial planning and budget control.*

Finance Manager's Message: Sound financial management is the backbone of sustainable growth. At Britvish, we believe in financial transparency, disciplined budgeting, and responsible allocation of resources. We are committed to keeping operations lean, investments strategic, and our pricing fair to offer maximum value to clients.

Our goal is to create a financially resilient company that can support fleet expansion, invest in technology, and improve driver welfare without compromising service delivery. We don't just manage numbers; we fund the engine that drives your goods to their destination.

Logistics Coordinator – *Routing, scheduling, and dispatch*

Logistics Coordinator's Message: In logistics, timing and planning are everything. At Britvish, we pride ourselves on proactive scheduling, responsive communication, and ensuring each trip is optimized for safety, fuel efficiency, and punctual delivery.

We are working daily to sharpen our route coordination and reduce downtime. Whether we're moving refrigerated cargo or dry freight, every load is treated with urgency and care. We understand that logistics is more than moving goods its moving business forward.

Fleet Specialist – *Fleet maintenance and safety oversight*

Fleet Specialist's Message: A strong fleet starts with consistent maintenance. At Britvish, we don't wait for breakdowns we prevent them. My team works tirelessly to inspect, service, and repair our trucks to ensure every vehicle is roadworthy before it moves.

We are introducing preventive maintenance schedules, driver feedback loops, and quicker turnaround on mechanical issues to reduce delays and improve reliability. Safe trucks mean safe deliveries and client confidence.

Transport Team Leader – *Driver conduct, route discipline, and customer experience*

Transport Team Leader's Message: As the face of Britvish on the road, our drivers carry more than goods they represent our values. My role is to guide and support our drivers in maintaining discipline, professionalism, and safety standards.

We are working on continuous training in customer interaction, vehicle care, and timekeeping. Wearing the Britvish uniform is not just about a job it's about pride, reliability, and trust. When our clients see our drivers, they should see a dependable team they can count on.

Current Challenges & Our Growth Response

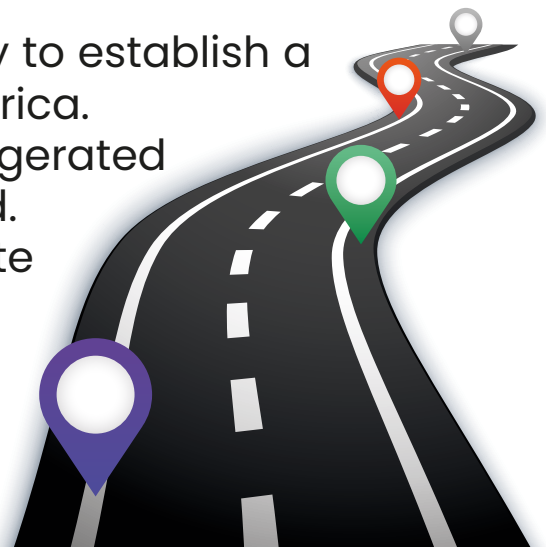

We acknowledge key areas of improvement delays in breakdown response, poor meeting discipline, and inefficiencies in coordination. To address these, British has partnered with the School of Applied Logistics and Fleet Cost Management to upskill our team in:

- Leadership and accountability
- Timely breakdown management
- Meeting discipline and punctuality
- Operational efficiency and cost control
- Customer service and team professionalism

Future Outlook

- **Tanzania Expansion:** Plans are underway to establish a branch in Dar es Salaam to serve East Africa.
- **Fleet Expansion:** Acquisition of more refrigerated trucks to meet growing regional demand.
- **Digitalization:** GPS fleet tracking and route optimization tools.
- **Driver Development:** Professional driver training and welfare enhancement.
